

CONSUMERS OIL COMPANY

Feed Truck Driver/Mill Operator: Job Description

Consumers Oil Company of Maryville, Missouri, is a progressive local company currently looking for an individual to fill a full-time spot within our feed division. This individual is responsible but not limited to mixing, loading, transporting and unloading feed between the mill and the customer and also ensures the care of the company and the customer property.

Qualifications:

- Must be able to lift 50+ pounds
- Minimum of a Class B CDL or willing to obtain one within 30 days
- High school diploma or equivalent required
- Able to follow instructions, keep documentation, and multitask

Responsibilities:

- Deliver bulk and bagged feed as scheduled by the feed department manager and in accordance with the customer delivery receipt
- Complete reports and maintain records of all deliveries
- Promote the sale and use of all feed department products and services and the proper use of good livestock management practices
- Report to the feed department manager opportunities for increased sales of feed department products and improved efficiency of feed delivery operations
- Refer customer complaints involving the feed department to the feed department manager
- Maintain an inventory of items designated by the feed department manager and report to the feed department manager low inventory items in adequate time for reordering
- Keep up to date on government regulations concerning the handling, sale, and delivery of feed products
- Wait on customers at the feed department office in a prompt, efficient, and courteous manner
- Develop and implement a maintenance and housekeeping program to be used with all feed delivery equipment and LPS storage equipment
- Assist other employees with duties assigned to the feed department
- Assist employees with the performance of functions in other departments of the cooperative
- Attend and participate in schools and meetings as directed by the feed department manager
- Operate machinery associated with feed production and maintain proper documentation of batching, grinding, and loadout process
- Perform general labor duties which include but not limited to fork lift operation, feed truck operation, and grain handling

- Assist in loading and unloading trucks
- Perform other activities as directed by the feed department manager
